The Howard County Opioid Crisis Community Council provides community stakeholders a voice in finding a solution to the opioid crisis. The Council identifies gaps and resources, assesses communication efforts, and recommends effective prevention and treatment strategies. <https://www.howardcountymd.gov/Departments/Health/HoCoOpioidHelp/Community-Council>

Maryland Coalition of Families is a statewide non-profit funded by regional and state grants. Our staff uses their lived experience to provide family peer support to anyone who has a loved one with substance use and other behavioral issues, at no charge to families. MCF also advocates to improve systems that impact people with behavioral health challenges. For more information, call 410-730-8267. www.mdcoalition.org

HC DrugFree provides education on prevention, treatment, recovery, and health and wellness to help Howard County residents develop knowledge and skills to understand and address behavioral health (substance use and mental health) disorders. www.hcdrugfree.org

Congruent Counseling Services (CCS) and Integrative Counseling (IC) provide mental health and substance use disorder treatment through six locations in Maryland. Services are currently provided via telehealth for the safety of clients and staff.
